(Item 4) First Reading of Ordinance 2011-02 (2011-2012 Fiscal Year Budget)

Tom Hutto asked if the reserve funds were shown. He felt we should include that figure in the budget.

(Item 8) Public Comments

Resident Bobby Shealy inquired if there was much change from last year. Tommy Butler said we have some funds that will be applied to the Walnut Hill Property and for the drainage and building repairs around Town Hall. Buster explained that we have some projects coming up to make improvements to the drainage and fix the little building by the back of the SCPA Building. The majority of the funds for those projects are listed on line 28 of the budget, property improvements and line 36 list the Walnut Hill property funding.

Tommy Butler said, “This year we may spend a little more than we take in due to the projects but the difference will come out of the reserve funds”.

Mr. Shealy asked about legal fees. Mayor Herrington said we pay a flat rate per year. That covers the normal legal representation for the town. He went on to explain in extraordinary situations such as a legal suit filed against the town then the attorney fees for that type of situation would fall under the protection of the State Reserve Fund. Mr. Shealy asked if the attorney fees were paid monthly. Tom Hutto replied he is paid monthly for the previous month. Example he is paid for July services in August.

Mayor Herrington asked Mr. Shealy if he had any other questions and the council thanked him for his interest and for coming to the meeting.

With no further comments the meeting was closed.
