

A RESOLUTION TO EXPRESS THE TOWN OF MEGGETT'S OPPOSITION TO OFFSHORE OIL AND GAS DRILLING AND EXPLORATION ACTIVITIES, INCLUDING SEISMIC AIRGUN BLASTING

WHEREAS, in South Carolina hundreds of thousands of jobs and billions of dollars of the state's gross domestic product depend on clean, oil-free water and beaches and abundant fish and wildlife; and,

WHEREAS, the vast majority of South Carolina's ocean wealth stems from our tourism and recreation sector which benefits from a healthy ocean and coast; and,

WHEREAS, offshore oil and gas drilling and exploration places coastal communities at economic and ecological risk from oil spills and the pollution brought by routine drilling operations and onshore industrialization, threatening the livelihoods of commercial and recreational fisherman and small businesses that rely on a clean and healthy ocean and beaches; and,

WHEREAS, offshore drilling may require significant onshore infrastructure, such as pipelines or refineries, which would harm the character of South Carolina's coastline and could exacerbate wetlands loss and storm surge and sea level rise impacts; and,

WHEREAS, the harmful impacts from offshore oil and gas drilling and exploration anywhere along the Atlantic coastline could extend far beyond immediately surrounding areas and severely impact communities that rely on the robust economy of the marine industry; and,

WHEREAS, the current Administration has expressed interest in opening the Atlantic Ocean to offshore oil and gas drilling and exploration, which includes the use of seismic airguns which fire intense blasts of compressed air that rank just behind military explosives as the loudest source of noise in the ocean, every 10-12 seconds, 24 hours a day, for months on end; and,

WHEREAS, seismic airgun blasting to explore for oil and gas deposits has been proven to disrupt and displace marine life, such as whales which rely on sound to find food and mate, and can impair the health of many fish and shellfish species, including those of commercial importance like squid, lobster, and scallops; and,

WHEREAS, the Town of Meggett recognizes that our communities, businesses, and industries depend on a healthy coastal environment for the benefit of current and future residents, property owners, and visitors;

NOW THEREFORE, BE IT RESOLVED BY THE TOWN OF MEGGETT THAT:

SECTION 1. The Town of Meggett finds that offshore oil and gas drilling and exploration unnecessarily risks our economic and ecological health and therefore opposes any plan or legislation which encourages oil and gas development and exploration offshore that would impact the citizens of South Carolina.

SECTION 2. This Resolution shall take effect immediately upon its adoption by Meggett Town Council.
