

Hello Neighbors!

We hope you had a good week.

Here is what we have on deck this upcoming weekend at the shipyard:

- This weekend we will be doing steel work, sand blasting, and supplementary trades to prepare to close down the shipyard on July 4th, 5th, and 6th.

We value open communication and encourage you to reach out with any questions. Please save this email address and feel free to contact us at ([community@stevens-towing.com](mailto:community@stevens-towing.com)).

We'll close with a few photos from our recent Low Country Boil celebrating the completion of a major project in the shipyard.

With gratitude,  
Johnson Stevens and the Stevens Towing Team
