Hello Neighbors!

We hope you had a good week.

Here is what we have on deck this upcoming weekend at the shipyard:

- This weekend we will be doing some steel work, but no water or sand blasting.

We value open communication and encourage you to reach out with any questions. Please save this email address and feel free to contact us at ([community@stevens-towing.com](mailto:community@stevens-towing.com)).

We'll close with a few photos of recent graduates from our high school welding internship program.

With gratitude,  
Johnson Stevens and the Stevens Towing Team
