Hello Neighbors!

We hope you had a good week.

Here is what we have on deck this upcoming weekend at the shipyard:

- This weekend we will be doing some steel work, and painting, but there will be no water or sand blasting.

We value open communication and encourage you to reach out with any questions. Please save this email address and feel free to contact us at (community@stevens-towing.com).

Please see below for a special project highlight.

With gratitude,
Johnson Stevens and the Stevens Towing Team

Former Navy Vessel Salvaged by Stevens Towing

- On August 19th, Stevens Towing, in partnership with the South Carolina Department of Natural Resources, successfully salvaged a former Navy vessel that had been stranded in Bohicket Creek for the past four years. The vessel was carefully recovered by the Stevens Towing tugboat fleet and transported to Yonges Island, where the team will begin preparations for the vessels next phase of service.
