

Hello Neighbors!

We hope you had a good week.

Here is what we have on deck this upcoming weekend at the shipyard:

- This weekend our shipyard will shut down Friday (09/19) at 5pm, as well as Saturday (09/20) for a local wedding. Our Tugboat crew will still be stationed at the dock, but the shipyard will not be operating. Sunday, the shipyard will be open for electrical and mechanical work.

We value open communication and encourage you to reach out with any questions. Please save this email address and feel free to contact us at (community@stevens-towing.com).

Please see below for a special spotlight on three members of the fleet who were recently promoted.

With gratitude,
Johnson Stevens and the Stevens Towing Team
