Hello Neighbors!

We hope you had a good week.

Here is what we have on deck this upcoming weekend at the shipyard:

- This weekend we will be doing some painting, but there will be no steel work, sand blasting, or water blasting.

We value open communication and encourage you to reach out with any questions. Please save this email address and feel free to contact us at ([community@stevens-towing.com](mailto:community@stevens-towing.com)).

Please see below for a special intern spotlight.

With gratitude,  
Johnson Stevens and the Stevens Towing Team

#### United States Merchant Maritime Academy Interns

- Each summer, Stevens Towing is proud to welcome cadets from the United States Merchant Marine Academy (USMMA) in New York to our Yonges Island facility. During their five-week stay, these interns gain valuable hands-on experience and deepen their technical skills in a real-world maritime setting.
- Pictured are Axel Flotten and Luke Holava, who joined us in August. We're excited to have them aboard!
